PARENTS GUIDE

Your child will enjoy exploring all of the educational activities in this activity book. The pages are packed with LOVE ROBOUGHTY's, fun-filled exercises, instructions and simple directions for hours of quality time to spend side by side learning.

SUGGESTIONS FOR WORKING WITH YOUR CHILD:

To get the most LOVE and focused learning, work on this activity book when you and your child are well rested, relaxed and ready to show LOVE. Make your child's educational environment secure and pleasant.

Do your best to show LOVE, PATIENCE and KINDNESS to make learning enjoyable and rewarding. Complement and encourage your child while working on this activity book to build your child's confidence.

Support your child to move forward and beyond what they can accomplish in a positive and peaceful manner, and don't push the experience as to frustrate your child. Leave your child happy and full of LOVE when your teaching so they are eager to learn and spend time with you daily & work on this Love Roboughty book.

Sticky Rice Stories is a collaborative effort created by the married artistic duo Melissa & Artist Daniel Quiñones. Beautiful stories focusing on early education, faith-building, identity strengthening, & family connecting.

MORE TIME TOGETHER TO SHARE

TURN OFF YOUR DEVICE and spend more time next to your child & learn after each page is finished. Challenge your loved one by finding real-life applications of what they learned in this activity book. **Or just have fun and sing a song about each letter.**

This will reinforce the learning experience and bring connection with your child to have fun and share LOVE. Look for occasions daily to turn ordinary situations into helpful lessons and joyful songs. The possibilities are endless, but here are a few ideas to get started:

COOL ALPHABET ART

TURN OFF YOUR DEVICE & turn the process of learning the alphabet and letter sounds into a song or an interesting, ongoing art project with cutouts and puppets from this book. Together write a letter of the alphabet on a sheet of blank paper for practice. Encourage your child to fill a blank paper with pictures of things that have names which begin with the ABC letters. Provide art supplies to draw objects, or help your child cut out pictures from old magazines to glue to the sheet of paper. Complete one page each day.

ABC CONTEST

TURN OFF YOUR DEVICE & walk around your neighborhood to help reinforce ABC letters to colors & objects to increase observational skills. While on a walk, take turns choosing objects that match an ABC letter. For more fun, keep score to see who finds the most objects of a certain letter.

ABC COLLECTION

TURN OFF YOUR DEVICE & make an ABC book to reinforce learning. Give your child ten sheets of paper and have him or her write ABC letter several times on each sheet. Encourage your child to find and glue objects to the pages with the matching ABC letters. Staple the pages together to create an ABC book that your child accomplished to share with others to show LOVE.

USING ABC WORDS

TURN OFF YOUR DEVICE & Look around and use ABC words to describe objects, people, and animals you see. Point objects out to encourage you're loved ones to use words to describe the things around them.
